

EXPRESS PORT LOGISTIC LLC

HOUSTON CONTAINER DRAYAGE

EXPRESSPORTLOGISTIC.COM

dispatch@expressportglobal.com

A clear start for Houston *container moves.*

Send the terminal, pickup and delivery city / ZIP, equipment, weight, timing, and requested services. Dispatch reviews the complete move and confirms the next step.

01

PORT & RAIL DRAYAGE

Houston-area container moves connecting the requested terminal or rail ramp with the delivery point.

02

IMPORT & EXPORT

A structured request path for import, export, and one-way container moves.

03

SHIPMENT HANDOFF

Appointment, exception, POD, and available document details organized around the accepted move.

What dispatch needs

SHARE WHAT IS KNOWN. MARK PENDING DETAILS HONESTLY.

- Import, export, or one-way direction
- Terminal or rail ramp
- Pickup and delivery city / ZIP
- Container size, type, and count
- Cargo weight and hazmat status
- Pickup date, appointment, live or drop

From request to dispatch

- 1 Send shipment details
- 2 Dispatch reviews the lane
- 3 Confirm pricing and next step
- 4 Coordinate the accepted move

Ready to send a shipment request?

Use the website form for a request number and a clear review status.
